pet adoption fund

Devoted to our homeless animals

A Non-profit Organization Founded in 1983

Dear Friend,

How often have you perused a rescue website only to see the same dog or cat available week after week, month after month? We are often asked why a particular pet who seems wonderful is still with us. The truth is, through no fault of their own, some potential adoptees just need a bit longer to find their match. One day that certain someone comes along with an open heart and home to embrace all the love a new companion has to give. At Pet Adoption Fund we never give up on finding forever homes for all animals who enter our doors. With your help we can continue to persevere, through life's ups and downs, as we have for decades.

Alf

Here are some of our longer-term residents who recently found happy homes:

Alf: This boy was a bit older but had so much love to give. He remained happy and optimistic and it finally paid off--He is now living his best life with his new mom. Way to go Alf!

Charlotte: Faced with many obstacles in her young life, this sweet, shy girl never gave up hope; and neither did we. We now report with joy that she has found her new home and is thriving. What a purrfect ending to her tale.

Charlotte

Rookie: It's hard to believe that a pup as perfect as Rookie had to wait so long to become someone's prize pet. But that's what ultimately happened, and we are all ecstatic for his happy ending. Go Rookie!

Picolo: The shyest and most introverted of three sibling kittens, Picolo watched as her sisters found homes ahead of her. Most people felt she was hard to connect to, but one day a compassionate person gave her the chance she deserved. Picolo waits no longer.

Rookie

We are truly grateful for your tax-deductible donations. We simply could not accomplish our work helping homeless pets without your generosity and ongoing support.

Take care and have a wonderful summer!
